

SCOUTS

Earn a Belt Loop or Merit Badge Plan a Field Trip

2019-2020

The Postal History Foundation includes a post office, museum, library, and processing room where millions of stamps are sorted annually. Visiting the PHF is a fun, unique, and educational experience.

FIELD TRIPS

We design field trips around the needs of your age group. The field trips usually last one to two hours depending on the age. \$2 per scout. Contact the Education Director to schedule dates and times.

STAMP COLLECTING MERIT BADGE

During the school year usually two or more workshops are scheduled in cooperation with the local boy scout district. Check with your troop leaders for information and dates on the next workshop or email the Education Director.

AMERICAN HERITAGE GIRLS

We can help your troop complete the "Special Delivery" badge.

NATIONWIDE

Contact the PHF for stamps. We can provide stamps via topic or scott number for your scouts working on the merit badge or just wanting to start a collection. Fill out the online form and send an email. We provide this at no charge.

Field trip options for younger scouts:

- Start a stamp collection
 - Learn how the mail works
 - Sort stamps
 - Create a postcard
 - Tour the old post office
 - Learn the basic types of stamps
 - Study Arizona, US, or world geography
 - Design your own stamp
- And more....
