

Education Want List

Since 1960 the PHF Education program has been using your stamp donations and philatelic supplies for learning in the classroom and also for promoting our great hobby. The PHF is a 501(c)(3) non-profit foundation serving over 13,000 students and teachers across the country and the world every year. Take a tax deduction and donate your United States and foreign stamps. Help the next generation fall in love with stamp collecting!

Below are various lists of stamps that we need. We always need stamps from the last 30 years.
