

Lessons List 2023-24

Each student receives a set of stamps per lesson ordered. Worksheets may be copied by the teacher/parent for use with their students. Power Point files will be sent to you for downloading to your computer and are in the order confirmation email. All worksheets and Power Points may not be altered as they are the property of the PHF and are for educational purposes only. They are provided at no charge, if shipping costs are domestic and not excessive. Order via our website at: <https://postalhistoryfoundation.org/education-store/> or email education@phftucson.org

*** Indicates Power Point (P.Pt.) - Power Point capabilities are required, students take notes on paper and attach the stamps.
